

Cupples' J&J Sheet Metal Fabrication

Fabrication capabilities;

- Shearing of steel up to 3/8" X 10'
- 3 Roll Initial Pinch Pyramid Roll Forming Machines 10' in length
- 4 Roll CNC Roll Forming Machine up to 1/4" x 6'-0"
- Angle and Channel Rolling - up to 4" x 4" x 1/2" angle or 6" x 2 1/2" channel leg in
- Conventional and CNC Brake Presses with up to 5 - Axis CNC Controls and 330 Ton X 12' Bending Capabilities
- Welding including MIG , TIG , Stick , Spot and Stud for Specialty or Production Operations
- CNC Plasma and Fine Plasma Cutting
- Contract Manufacturing

Products;

- Bins
- Hoppers
- Hoods
- Machine Frames
- Welded Assemblies
- Platforms
- Machine Guarding
- Specialty Belt or Screw Conveyors
- Brackets
- Misc. Sheet Metal Fabrications
